**NATO-RACVIAC Conference**  
***“Better Management of Defence Resources, Including Integrity  
Building in the Armed Forces”***

**14-16/17 SEPTEMBER 2009**  
**Rakitje, Croatia**

---

## **AGENDA**

The purpose of the Conference is to establish common platform for mutual exchange of views and experiences on major aspects in the area of defence resources management including building integrity in defence institutions.

The Conference objectives are as follows:

- To provide the cross section of actual issues in defence resource management systems in Europe and North America.
- To provide overview of possible solutions on some highly specific issues in budgeting, procurement and expenditures control.
- To enable exchange of information on the latest developments regarding ongoing defence and security budget reforms in SEE countries.
- To initiate informal expert communication between defence resources management proponents in Europe and North America.
- To provide common ground for future formal cooperation between individual countries involved in the Conference.
