CENTRE FOR EUROPEAN SECURITY STUDIES

## STARLINK Introductory Training Course on Security System Reform

Venue: RACVIAC - Centre for Security Cooperation, Zagreb (Croatia)

The purpose of the Introductory Course on Security System Reform is to bring together respective representatives from relevant ministries, regional and local authorities, international organizations and NGOs with a view to providing training on democratic governance in the security sector. The concrete objective supporting this purpose is to promote a better understanding of democratic governance in the security sector, and Security System Reform as advocated by Organization for Economic Co-operation and Development with the Development Assistance Committee (OECD DAC);
