**Disaster Preparedness and Prevention  
Initiative for South Eastern Europe**

## **Seminar on “Pandemic of Influenza effecting global security”**

RACVIAC, Zagreb, Croatia

9<sup>th</sup> – 11<sup>th</sup> November 2009

*The seminar is sponsored by Czech Republic and DPPI Sarajevo*

### **SEMINAR AGENDA**

#### **PURPOSE & OBJECTIVES OF THE SEMINAR**

The purpose of this seminar is to increase understanding and needed action, which need to be taken of the new pandemic as to encourage South East Europe (SEE) countries to develop their national pandemic influence action plans and to increase international cooperation.

The objectives of the seminar are:

- To present experiences and way ahead by the international experts, scientists on development and implementation of initiated projects developed within the international community.
- To share their expertise, opinions, lessons learned, to identify problems, possible solutions, and to explore the way ahead among the countries
- To provide recommendations and suggestions how to proceed with the development of the national pandemic action plans
- To deepen contacts between representatives of national organizations, agencies engaged in the accomplishment of security- and confidence-building measures,

To add a real value to the Southeast European (SEE) region showing fields and ways as how to work in the future as a platform for co-operation on national, regional and international level.
