This session is to provide a brief overview of RACVIAC’s current personnel situation and to tackle all personnel issues for RACVIAC for the foreseeable future. At the recently held 23rd MAG Meeting, MAG took note of the personnel situation as presented and the vacant posts announced. Countries indicated that they would respond to further RACVIAC Vacancy Notification in a timely fashion. Taking into consideration the agreed alphabetical rotation system but also taking account of the current urgent personnel situation, MAG recommended that any MAG Nation that would be willing and able to contribute to strengthening the SSR Pillar should nominate qualified personnel immediately, regardless of the alphabetical rotation principle.
