Venue(s) RACVIAC – Centre for Security Cooperation

Background The C-WMD Network in RACVIAC is organising the eighth meeting of the national working/drafting groups in September 2017. This event will be immediately followed by the CSE Workshop on the implementation of the UNSCR 1540.

RACVIAC welcomes the continuous support from U.S European Command (USEUCOM) in facilitating the participation of experts from the U.S. Defence Threat Reduction Agency (DTRA), the International Counterproliferation Program (ICP), the European Union, and WHO.

Purpose and Objectives The purpose of this meeting is to continue facilitating the development of National C-WMD Strategies and Action Plans as the key focus of the project. The main objectives for this activity are:

- To peer review progress in the development of C-WMD national strategies;
- To present and discuss the inclusion of the following topics in a comprehensive C-WMD national strategy:
  - Regional and national response capabilities;
  - Crisis management functions;
  - Communication strategies;
- To exercise concepts through a Table-Top Exercise.

Participation The aim of this activity is to bring together 2-3 members of the core working/drafting group and 2-3 experts working on crisis management, C3, legal issues, or intelligence.

Detailed terms of participation and financial arrangements will be specified in the corresponding Invitation Letter and Administrative Information.

Methodology The event is designed as an expert forum and it will be conducted through open discussion, case-studies, presentations from experts, and a table-top exercise divided into two phases.
