Background The C-WMD Network in RACVIAC is organising the tenth meeting of the national working/drafting groups in September 2018.

The C-WMD Network welcomes the continuous support from U.S European Command (USEUCOM) in facilitating the participation of experts from the U.S. Defence Threat Reduction Agency (DTRA), the International Counterproliferation Program (ICP), the Hungarian University for Public Services, INTERPOL, and the Republic of Croatia.

Purpose and Objectives The purpose of this meeting is to continue facilitating the development of National C-WMD Strategies and Action Plans as the key focus of the project, as well as enhancing regional cooperation in counterproliferation.

The main objectives for this activity are:

- To peer review progress in the development of C-WMD national strategies;
- To discuss various approaches to regional cooperation;
- To present and discuss national proposals for furthering regional cooperation;
- To support the execution of national tabletop exercises;
- To exercise concepts through a tabletop exercise.

Participation The aim of this activity is to bring together 2-3 members of the core working/drafting group and 2-3 experts working on multilateral affairs, legal issues, or intelligence.

Detailed terms of participation and financial arrangements will be specified in the corresponding Invitation Letter and Administrative Information.

Methodology The event is designed as an expert forum and it will be conducted through open discussion, case studies, presentations from experts, and a tabletop exercise divided into three phases.
