AGENDA **(Tentative)**

“Regional Cooperation for Better Response to the Trafficking in Human Beings in SEE”

Ohrid, Macedonia

15 - 17 December 2014

The purpose of the workshop is to analyze current situation in the area of combating trafficking in human beings, promote regional cooperation in supporting the capacity building of the SEE countries, promoting regional approach as substantial for better response to THB, and consider possible common activities.

The main objectives are:

- To exchange information through the national delegation’s presentations about current situation, sharing experience and promoting ideas/proposals for further activities in the area of combating trafficking in human beings,
- To discuss and present new trends and modus operandi in the area of sexual and labour exploitation, successes and failures of national mechanisms, implemented measures and actions,
- To identify issues for promoting regional project(s) and common actions in the area of THB, where the focus is the prevention,
- To bring up ideas in enhancement of regional cooperation and formalizing international cooperation as continuation of already implemented projects (TRM) and updating outcomes of these projects,
- To stress the importance of a common strategy related to suppression of human trafficking, providing synergy of the stakeholders in accordance with EU standards.
