Conference on

Parliamentary Oversight of the Security Sector “New Security Challenges in SEE”

The purpose of the Conference is to bring together representatives of Parliamentary Security Committees to produce a regional forum designed for comprehensive discussions on “New Security Challenges in SEE”, which are common in the work of Parliamentary Security Committees in Southeast European countries and can be basis for standardization in this field. The objectives are as follows:

- To discuss new security challenges in SE Europe, which are common in the work of Parliamentary Security Committees in SEE countries
- To define new security challenges in the way that could be acceptable for all countries in region
- To discuss and propose adequate parliamentary tools to react to those challenges
- To discuss possible ways how to react to new security challenges in the sense of regional cooperation in this area.
- To discuss possible ways of Military Preparation for future integrations into international security organizations
- To Examine the best international practices in parliamentary oversight of the security sector
- To share experience on effective Parliamentary Oversight of the Security Sector among countries in SE Europe region, with the aim to find mutually acceptable courses of action
