AGENDA

NATO Enlargement: Integration and Security in the SEE Region

15 - 17 November 2011

The purpose of this Conference is to contribute to SEE countries' efforts in their Euro-Atlantic integration processes by encouraging them to exchange information, views and lessons learned. The event aims to examine the prospects of NATO enlargement in the region by informing the SEE countries about past and current developments concerning NATO integration and security in the region, especially in the light of the conclusions of the 2010 Lisbon Summit.

The objectives are:

- To present and discuss the achievements of SEE countries on their way to NATO;
- To promote cooperation between NATO and SEE countries through different projects;
- To highlight the most necessary reforms and challenges in fulfilling the conditions for membership;
- To promote an active participation in PfP and EAPC mechanisms;
- To learn from the experiences of member and potential member countries.
